QUESTION 4

This question is about the apartheid system.

Study the sources below and then answer the question which follows.

Source C

The government believes in the supremacy of the European in his own area, and equally the supremacy of the Bantu in his. There is no policy of oppression by white South Africans only the desire to help the Bantu develop in their own direction. The policy of separate development is for the benefit of everybody.

[Dr Hendrik Verwoerd, Minister of Native Affairs, in a speech to the National Party government in 1950]

Source D

Inside this closed world there is no sign, not the slightest suggestion of democratic rule.... the method of government is unequal and unfair. Bantustan policy quite simply makes our chiefs into puppets of the white leaders.

[Albert Luthuli, leader of the ANC addressing supporters at a meeting in 1959]

Which of the sources is more useful to an historian studying the creation of self-governing homelands and Bantustans? [12]

[You should refer to both sources in your answer and use your own knowledge and understanding of the historical context.]
